Re: *United States v. Carazas-Pinez*, 23 Cr. 346 (JPC)

Dear Judge Cronan:

The Government respectfully writes on behalf of the parties in advance of the upcoming conference in this matter, which is currently scheduled for Monday, December 9, 2024. On September 12, 2024, the Government received a psychosexual evaluation of the defendant from the defense. On October 29, 2024 and November 1, 2024, the defense provided supplemental information to the Government in connection with its mitigation request. The Government has completed its review of the defendant's mitigation submission and the parties are actively engaged in plea discussions, but have not yet reached a disposition. Accordingly, the parties request a short adjournment of the upcoming conference to permit the parties to continue their discussions regarding a potential disposition in this matter. The parties are available to appear on Monday, December 16, 2024 at 11:00 am if that date and time is amenable to the Court's schedule.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
